

In light of the Coronavirus outbreak, I am having all patients complete this questionnaire to help assure your safety and the safety of those around you before being seen at the office. Thank you in advance for completing it.

If you answer yes to any of these questions, please call the Forsyth office: 217-876-0547.

If all your answers are NO, we will see you at your regularly scheduled appointment time, where these questions may be asked again and your temperature taken with a no touch thermometer. Again, thank you for your cooperation.

- 1) Do you have a fever YES ___ NO ___
- 2) Do you have a cough YES ___ NO ___
- 3) Are you experiencing muscle aches or body pains? YES ___ NO ___
- 4) Are you having difficulty breathing or have shortness of breath? YES ___ NO ___
- 5) Are you having low energy and feeling more tired than usual? YES ___ NO ___
- 6) Have you been out of the country since December 2019? YES ___ NO ___
- 7) Do you have a loss of taste or smell? YES ___ NO ___
- 8) Have you been visiting with anyone that has been traveling? YES ___ NO ___
- 9) Have you been traveling ? Have you visited Chicago since January? YES ___ NO ___
- 10) Have you travelled out of the state since January 2020? YES ___ NO ___

Please take your temperature the night before your appointment and an hour before arriving.

If your temperature reads 100 degrees, please reschedule your appointment, self-isolate, contact your primary health provider, and follow CDC guidelines.

Call us in Forsyth (217-876-0547) or Springfield (217-787-0422)
